2026 Winni Dip Fundraising Toolkit

Presented by Coca-Cola Beverages Northeast

This Year's Theme: **Jungle Safari – Go Wild for Inclusion!**

Welcome to the Wild!

Welcome to the **2026 Winni Dip**, presented by Coca-Cola Beverages Northeast! You're about to embark on the ultimate winter adventure — taking the plunge into icy waters to support Special Olympics New Hampshire athletes. This year's Jungle Safari theme is all about **courage, teamwork, and exploration** — so grab your gear, rally your herd, and get ready to go wild for inclusion!

Your adventure has a purpose — to change lives and protect the spirit of inclusion in our jungle! Every dollar you raise fuels the heart of Special Olympics New Hampshire, powering year-round training, competition, and health programs that help athletes across the Granite State rise, roar, and reach new heights.

How to Use This Toolkit

Think of this toolkit as your **survival guide to the wild world of the Winni Dip!** As a daring Winni Dipper, this guide will help you navigate every twist, turn, and splash along the way.

The Winni Dip, presented by Coca-Cola Beverages Northeast, is a wild adventure where brave explorers take the plunge into icy waters to support Special Olympics New Hampshire on March 7th at the Margate in Laconia (or DIY your way!). This toolkit is your **map and compass** — helping you plan your fundraising journey, connect with supporters, and go wild for inclusion.

Every safari's better with a crew!

Want to take the dip with friends? Make sure you're in the same **band of bears** (fundraising team) — that's how you're assigned to the same **wave** and hit the water together!

Teams make the adventure even better — you can fundraise together, keep each other accountable, and cheer one another on from registration to the splash zone. Create or join a team when you register, or reach out and we'll help you get started.

Fundraising Tips from the Jungle

Getting Started: Create Your Fundraising Page

The fastest and easiest way to raise money is online through your **personal fundraising page**. When you register through **Funraisin'**, a page is automatically created for you.

From there, you can:

- Upload a **photo** or two (costume preview, team photo, etc.)
- Add an **opening paragraph** sharing why you're dipping
- Post **updates and photos** as you hit milestones

 **Pro Tip:** Participants who personalize their page raise *significantly more* than those who don't — and setting a higher goal than your minimum makes a big difference!

Tips for Going Wild with Your Fundraising

Ready to raise some serious funds? Whether you're a first-time adventurer or a seasoned dipper, these tips will help you swing through your fundraising goals and make a real impact for Special Olympics athletes across New Hampshire.

Start with your story.

People give to *people*. Share why you're dipping — maybe it's for a teammate, a family member, or simply because you believe in inclusion.

Set your goal — and aim higher!

Set a realistic starting goal, then increase it once you hit it. Fundraisers who stretch their goals tend to raise more overall.

Go social early and often.

Don't wait until the week before your event. Post progress updates, countdowns, and photos in costume to keep your supporters engaged.

Thank publicly, thank personally.

Tag donors on social media and thank them directly. Gratitude encourages others to give and helps you build lasting support.

Get your herd involved.

If you're on a team, divide up outreach — one person emails, another posts, another handles texts. Together, you'll reach more people, faster.

Create mini-milestones.

Celebrate every \$100, \$250, or \$500 you raise with a quick update, fun video, or shout-out. It keeps energy high all season long.

Add your link everywhere.

Include your fundraising link in your email signature, texts, and social bios. The easier you make it to give, the more people will!

Think beyond the screen.

Host a small bake sale, trivia night, or casual jeans day at work — those dollars add up quickly.

Ask again.

People often mean to donate and forget. Send a friendly reminder, especially close to event day.

Say thank you — and mean it.

Follow up with donors after the event. A quick thank-you message goes a long way in keeping your supporters part of the SONH family.

Your Fundraising Roadmap

A Simple Path to a Wildly Impactful Dip

You don't have to do everything at once — fundraising works best when you take it step by step. Use this roadmap to guide your journey from registration to splash day and beyond!

Step 1: Set Up Camp (Right After You Register)

Goal: Get ready and make your first ask

Personalize your fundraising page with a photo and short “why”

Set a goal that feels bold — you can always raise it later

Make the first donation to your page to kick things off

Use the Fundraising Kickoff templates to spread the word

 **Tip:** Most participants raise their minimum within 72 hours — momentum matters!

Step 2: Build Momentum (Weeks Leading Up to the Event)

Goal: Keep the adventure moving

Share progress updates and mini-milestones

Post and send messages more than once (it works!)

Ask different groups: family, friends, coworkers, neighbors

Encourage matching gifts and team challenges

Celebrate every win — first donation, halfway there, minimum met

 **Tip:** People are more likely to give when they see progress — keep your supporters in the loop.

Step 3: Aim Higher (After You Hit Your Minimum)

Goal: Go beyond the basics

Announce that you've met your minimum and you're officially going in

Raise your goal and challenge yourself to reach the next incentive level

Push for fun goals like the Top 10 or top 100 Fundraisers

Use athlete-focused messages to show the impact of each donation

 **Tip:** Fundraisers who increase their goals often raise more overall.

Your Fundraising Roadmap

Step 4: Final Push (The Week of the Event)

Goal: Cross the finish line strong

Share countdown posts and “almost there” messages

Send a friendly reminder to folks who meant to donate

Highlight how close you are to your goal

Thank donors publicly and keep cheering on your team

💡 Tip: Many donations come in during the final days — don’t be shy about one last ask!

Step 5: Make the Splash (Event Day!)

Goal: Celebrate the moment

Take photos or videos before and after your dip

Tag and thank supporters on social media

Share how it felt to complete your Jungle Safari adventure

If you’re doing a DIY event, show your “watering hole” too!

💡 Tip: Event-day posts often inspire last-minute donations.

Step 6: Say Thank You (After the Event)

Goal: Close the loop and celebrate impact

Use the Thank-You templates to thank donors by text, email, or social

Share a final fundraising total or highlight what the funds support

Let supporters know they helped create real change

💡 Tip: Gratitude builds lifelong supporters — and future dippers!

Final Reminder

There’s no single “right” way to fundraise — just keep moving forward. Every message you send, every post you share, and every conversation you start helps create opportunities for Special Olympics New Hampshire athletes to train, compete, and thrive.

You’ve got the roadmap. Now grab your gear and go wild for inclusion! 🐾❄️
