SPECIAL OLYMPICS
USA GAMES
MINNESOTA 2026

SPONSOR A DREAM. FUEL A TEAM.

Help New Hampshire athletes shine this summer on the national stage.

This June, Team NH will travel to the 2026 Special Olympics USA Games in Minneapolis, joining thousands of athletes from across the country for a once-in-a-lifetime experience centered on competition, inclusion, leadership, and community.

Our delegation of 39 includes athletes, Unified partners, coaches, and leaders representing communities across New Hampshire in athletics, swimming, bocce, bowling, golf, tennis, powerlifting, and Youth Leadership. An additional two SONH representatives will participate in the Final Leg of the Law Enforcement Torch Run.

For many athletes, this is the highest level of competition they have ever reached and a dream years in the making.
